

DIAGNOSTIC EVALUATION

4TH YEAR OF PRIMARY EDUCATION.

QUESTIONNAIRE FOR FAMILIES.

The responses to this questionnaire are important in the context of the evaluation because they provide further information about the student's educational experiences and family background. The questions refer to your child who is currently in the 4th year of primary school.

Please answer honestly because your cooperation will allow us to get to know the real situation at the school better and, with this information, we will be able to propose measures to improve it.

Note: For reasons of space, throughout the questionnaire the term "mother" refers to: mother, legal guardian, or first father or legal guardian in the case of male same-parent families. Similarly, the term "father" refers to: father, legal guardian, or second mother or legal guardian in the case of female same-parent families.

The answers you provide are confidential and will be treated anonymously.

To answer, place an X in the selected box, unless otherwise indicated:
